XLAND DEMO ONLY

Synthetic file lifecycle fixture

NOT A LAND RECORD OR LEGAL EVIDENCE

This file is created by the XLand project for integration tests.
It contains no customer documents, signatures, seals or parcel details.
It does not certify ownership, planning, valuation or legal verification.

Test scope: MIME and bytes, owner access, grant and expiry,
download, open, retry and file cleanup.

Approval: Agent A decision A-13, client date 2026-10-17.
Rights: project-created text and vector layout; no external assets.
Font: standard PDF Helvetica, no external font binary embedded.

Private storage and HTTPS signing are separate configuration inputs.
A local PDF render does not prove L02 provider or authorization flow.
Legal signed URL lifetime must not exceed 300 seconds.

DEMO / NOT VERIFIED / NO REAL LAND EVIDENCE
